Art Squared - Call for Artists

The Town of Braselton is seeking artists to participate in a downtown mural project. The project is part of an ongoing effort to bring art and continued beautification to Downtown Braselton. This project will coincide with a larger event called ArtRageous. ArtRageous will take place on February 21, 2026 from 10am-5pm on the Town Green and in the Braselton Civic Center. The event will host art vendors in addition to the live Art Squared mural painting project.

Project Budget:

Artist(s) will be compensated \$500 for each 8' x 7' panel (one side of the square) upon completed execution of artwork.

About the Project:

ArtRageous is an art festival in downtown Braselton. A portion of this event includes Art Squared, a live mural painting performance consisting of the repainting of one 8ft x 8ft cube that is in front of The 1904. The cube consists of 4 walls measuring 8ft x 8ft per side for a total of 4 sides. The 'live' area that needs to be painted is 8ft x 7ft. There will be a 1ft band across the top for sponsorship name. We are seeking artists to paint an original design on each panel. There are a total of 4 panels available. Artists should treat each panel as an individual design and may submit up to 5 different designs. Submissions should not include logos, political or inappropriate subject matter. Care should be taken with potential copywritten imagery.

Project Details:

Artists selected must be available on Saturday, February 21, 2026 from 10am-5pm for the live painting of their mural onto their assigned panel. Selected artists will also have access to their panel on Friday, February 20, 2026. This time can be used to begin any prep work or sketching. Water based latex or acrylic paints preferred. No spray paint allowed. If you would like to use an alternative medium please specify in your written description.

Each artist will be working with one side of an 8x8 ft. cube (live area is 8x7 ft.) that will be outside The 1904 building. The 1904 is located at 9924 Davis Street, Braselton. The cube is made from marine grade plywood and will be primed by staff before the event. Each panel is two 4x8ft. pieces placed together, so there will be a seam in the center. Please note, if there is rain we may reschedule to a later date.
